- MVAL All-League 2nd Team, 2023
- 3rd Degree Black Belt

Academic Achievements

- Honor Roll

Extracurricular Activities

- Softball
- Martial Arts

Personal Statement

I want to play college softball for many reasons. The major reason that I want to play college softball is so that little girls can watch me and be inspired like I was when I was little. Through my volunteer work as a 10u recreational softball coach, I have discovered my true love for the game and that nothing can take it away from me.
